

General Teaching Council
for Northern Ireland

Promoting Teacher Professionalism

GTCNI DIGEST OF STATISTICS

March 2026

About the General Teaching Council for Northern Ireland

The General Teaching Council for Northern Ireland (GTCNI) is the statutory, professional and regulatory body for the teaching profession in Northern Ireland established by the Education (Northern Ireland) Order 1998, as amended by the 2003 and 2006 Education (NI) Orders.

Only teachers who are registered with GTCNI can teach in a primary or post-primary grant-aided school in Northern Ireland.

GTCNI's key strategic objectives continue to be:

- advocating the highest standards of professional conduct and practice;
- ensuring that everyone wishing to teach in grant-aided schools is appropriately qualified, registered and regulated;
- promoting career-long professional development;
- providing Government and employing authorities with recommendations for enhancing teachers' career-long professional development;
- being an authoritative voice on behalf of the profession.

GTCNI is funded by the annual registration fees paid by teachers.

GTCNI's Register of Teachers

The information that GTCNI is able to hold on its 'Register of Teachers' is determined by Schedule One of the General Teaching Council for Northern Ireland (Registration of Teachers) Regulations (Northern Ireland) 2004.

Introduction to GTCNI's Digest of Statistics

GTCNI's Digest of Statistics presents information extracted from GTCNI's Register of Teachers, which is an important and unique data source.

As of **31 March 2026**, some **28,883** Teachers were registered with GTCNI.

Of the **28,883** registered, **20,714** are employed as Teachers, and or Vice Principals and or Principals on permanent or temporary (one term or more) contracts in grant-aided schools in Northern Ireland.

Grant Aided Schools in Northern Ireland include: Nursery, Primary, Post Primary and Special Schools across a number of School Management Types including Maintained, Controlled and Voluntary sectors.

The Digest also, includes a high-level analysis of Initial Teaching Education Graduates of Northern Ireland, in addition to other new, entrants to the Register. Finally, this 2025 - 2026 Digest reviews Teachers trained to teach subject specialisms within STEM.

Data Definitions and Assumptions

The Digest tables have been generated using teacher record data extracted as of **31 March 2026**.

Employment information is sourced directly from schools, which update their lists of currently employed teachers through the GTCNI School Portal on an ongoing basis.

The following assumptions apply to all tables presented in the Digest:

- All figures represent actual and not full-time equivalents
- The number of registered teachers reflects a real-time position and may increase or decrease in line with new registrations or deregistrations.
- Percentages may not sum to 100% due to rounding.

In line with the UK Statistics Authority Code of Practice for Official Statistics, and to ensure that no individual, organisation, or private information is identifiable, the following disclosure symbols and cell modifications are used throughout the Digest where appropriate:

- < - Relates to fewer than five cases.
- # - Indicates that a number (five or more) has been suppressed to prevent secondary disclosure.
- in some tables, numbers have been rounded to the nearest five to minimise disclosure risk.

The management and publication of all information drawn from GTCNI's Register of Teachers is conducted in accordance with Data Protection legislation, ensuring that no data relating to identifiable individuals is disclosed.

Index

1.0 - 1.4	Active Membership Analysis as of 31/03/2026

The number of reported Vice Principal posts is lower than the total number of schools, as not all schools have an allocated Vice Principal position.

Variation across school management types exceeds the total number of schools because some schools employ more than one Vice Principal, including posts with specialist responsibilities such as curriculum or pastoral leadership.
